Ken (K8ENT) asked about the letter that was posted last year about repeater users and membership, he commented that he had heard back from someone who had seen it and joined.

Vice President Report: N/A

Technical Report: Josh (KE8CPD) had nothing new to report.

Web Master Report: Nate (N8THN) reported the site is working fine and we are receiving applications.

PIO Report: Jack (NY8D) reported that Jan. 30-31st is Winter Field Day. Saturday March 30 is the Dirty30 and they will be looking for volunteers to assist.

Old Business:

- KD8HNF item auction, we will be opening this up to HAMs in west Michigan soon, we would prefer folks who purchase to allow for local pickup, if we need to ship items we will have to work something out. There was also some discussion about pricing, the board will discuss this further before the items are posted to the larger public.
- Amendment to the club By Laws: The new amendment was read and there was a brief discussion before Nate (N8THN) called a vote. The new by law amendment passed unanimously.

New Business:

- Ken (K8ENT) and Jack (NY8D) have volunteered to go the shack and take pictures of the remaining KD8HNF stuff to be used when we list these smaller items.
- There was some discussion about the membership process and payment.
- Ken (K8ENT) offered to work on a YouTube video introducing the club, we will set up a YouTube channel to host this.
- Mike (KB8ZGL) talked a bit about WinLink and packet radio.
